Graduate Credit for 400 and 500 Level Work Taken as an Undergraduate
Approval Form

Department of Aerospace and Mechanical Engineering
University of Southern California

An undergraduate student may request to enroll in and reserve for graduate credit coursework at the 400 or 500 levels during the last semester as a senior provided that:

1. the student is within 12 semester units of the bachelor's degree;
2. the student has at least a 3.0 cumulative grade point average;
3. the semester program does not exceed 16 semester units.

Instructions

1. Fill out the form completely.
2. Obtain signatures from the Professor and Chair.
3. Submit form to Degree Progress in JHH 010 for processing
4. Proceed to the Registration Building, REG 1st floor, to register in person.
