Penn State Berks (Reading, PA) invites applications for a tenure-track position at the rank of Assistant Professor in Engineering, beginning August 2023 or when agreed upon. Penn State Berks, a college of the Pennsylvania State University, offers the collegiality of a small college with the strength of a well-respected research university.

Penn State University is committed to equal opportunity and to workforce diversity. For more information visit our website at https://berks.psu.edu/.

JOB RESPONSIBILITIES:
- Teaching courses such as Engineering Statics, MATLAB, Vibrations, Robotics, System Dynamics, and other courses in the BS in Mechanical Engineering and BS in Electromechanical Engineering Technology programs.
- This position carries a teaching load of nine contacts (approximately 3 courses) per semester.
- The successful candidate will conduct robust research that leads to publications in scholarly journals, will advise students, and will provide service to the program, division, college, community, and profession.
- Penn State Berks encourages active and collaborative learning, including undergraduate research, and a commitment to supporting diverse learners in the classroom.

QUALIFICATIONS:
- Applicants are required to have an earned doctorate in Mechanical Engineering or a closely related field by the employment start date.

SCHEDULE:
- Applications will be accepted until this position is filled.
- The review will begin November 15, 2022, for an employment start date in the fall semester (August 2023) or when agreed upon.

INQUIRIES:
- Email Dr. Rungun Nathan, Search Chair, at rungun.nathan@psu.edu with questions regarding the position.
- Email Gail Chiriani at glc2@psu.edu with questions regarding the application process.
- In all emails, please write “TT Mechanical Engineering Faculty” in the subject line.

APPLICATION MATERIALS SHOULD INCLUDE:
- Letter of application.
- Resume or curriculum vitae that includes names, addresses (including email), and phone numbers of three professional references.
- Statement of teaching philosophy.
- Statement of research philosophy.

HOW TO APPLY:
- All application materials must be submitted via our website as a single pdf file.
The Pennsylvania State University is committed to and accountable for advancing diversity, equity, inclusion, and sustainability in all its forms. We embrace individual uniqueness, foster a culture of inclusion that supports both broad and specific diversity initiatives, leverage the educational and institutional benefits of diversity in society and nature, and engage all individuals to help them thrive. We value inclusion as a core strength and an essential element of our public service mission.

CAMPUS SECURITY CRIME STATISTICS:
Pursuant to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and the Pennsylvania Act of 1988, Penn State publishes a combined Annual Security and Annual Fire Safety Report (ASR). The ASR includes crime statistics and institutional policies concerning campus security, such as those concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters. The ASR is available for review here.

Employment with the University will require successful completion of background check(s) in accordance with University policies.

EEO IS THE LAW
Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regards to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status. If you are unable to use our online application process due to an impairment or disability, please contact 814-865-1473.
